## \$1500 REWARD

### The Amount Offered for Alvord Stiles and Bravo John

A total reward of \$1500 is now out on the heads of the Tombstone jail escapes and fugitives, Burt Alvord, Wm Stiles and Thos Yoss, otherwise known as Bravo John. Sheriff Scott White offers a reward of \$200 each for the three men, making \$600 for all, the only condition being the arrest and delivery to him of the men wanted. To this reward is added the standing offer of Wells Fargo & Co. of \$300 each for the arrest and conviction of train robbers, making a total of \$1500. It is thought this will furnish quite an incentive for the capture of the trio. Sheriff White is quietly at work in an effort to bring the men to bay and is in hopes of having his efforts rewarded by their incarceration in jail at an early date.

Yesterday word was received here that Alvord, Stiles and Bravo John were seen near San Bernardino ranch, where they killed a beef on the range and ate of the meat. From the information at hand it is not known whether they are headed into Mexico or not.
